

Premier solar panel St Vincent and Grenadines

Supplying St Vincent and the Grenadines with Solar + Storage Technologies Founded in 2008, EcoDirect is a value added distributor that can help Vincentians homeowners, businesses and ...

Solife Inc. is a privately held EPC company located in St. Vincent and the Grenadines. We have been in operation since 2011 and have completed 3.8 MW of solar system installations on the island, and have consulted/assessed over 40 MW of solar systems regionally.

The project sets a strong precedent for using renewable energy to drive down energy costs on the outer islands. Located on Union Island, the 600kW solar PV plant is connected to a 637 kilowatt-hour (kWh) lithium-ion battery, extending its generating capacity to supply all of Union Island's daytime power requirements.

Keeping an AIMS Power inverter handy may be one of the most important aspects of living in St. Vincent and the Grenadines, because having an emergency backup power system is vital if ...
