Who is puredrive energy?

Building upon its extensive market knowledge across Marine, Leisure, Sports, Mobility, UPS and Industrial Puredrive Energy has worked in conjunction with Puredrive to design and build a unique range of Energy Storage systems that are aimed at the Residential, Commercial and Community Battery Storage markets.

How does puredrive improve battery storage?

increase battery storage as your needs change. Puredrive has a dedicated team in the UK with nearly 100 staff, providing leading R&D, technical and customer support. The PURASystem TM is managed by our smart APP which automatically maximises your energy cost savings by integrating time-of-use tariffs, solar, battery storage and EV charger.

How does the puredrive energy app work?

The complexity of how & when to charge, store and consume your energy is now all handled automatically, resulting in the best possible financial savings and maximising the ROI you will achieve. The Puredrive Energy app connects all of our products together. This simplifies set-up time and maintenance.

How good is puredrive electrical service?

Replacement units have been provided under warranty, and fitted by Puredrive staff in a very timely manner. Technical support provided by Jack to our local installer Cavin at Doyle Electrical Services has also been first class. Excellent service from all concerned.

Does puredrive support a faulty battery?

Great support for a battery issue. After a bit of toing and froing with updates to the inverter and battery firmware, eventually one of the battery packs was identified as faulty. Puredrive support organised a replacement battery to be shipped next day and use the packaging to return the defective battery. All organised by puredrive.

We help you take control of your energy and save up to 85% of your energy bill. Our smart app automates maximum savings by integrating with all time-of-use tariffs. This means you always store and use the cheapest, greenest energy. ...

Puredrive Energy has secured new investment from energy consultancy The Maximeyes Group to help progress its battery storage offering. Specific details of the funding have not been disclosed, but Puredrive told Solar Power Portal that it will be used to help progress its product development, while also establishing new marketing and sales channels.
