British Indian Ocean Territoryball, also known as BIOTball, is a British overseas territoryball in the Indian Ocean as the rump of British Mauritiusball. It will become British latest lost overseas territoryball by handover to Mauritiusball, except British-American joint military base there.

The situation in the British Indian Ocean Territory is completely different and not comparable, and I regret that in a way this decision has been made against the backdrop of a Conservative leadership contest, and that colleagues who know a lot better have sought to make partisan points with something so important.
