Together with our propane stove and a new 210L emergency water reserve, which I fill with condensation from our living room air conditioner, I have a tasty little off-grid package that will keep us going for a day or two without electricity. I doubt it will come to that. But this is Ecuador. Never speak in absolutes.

explore the area . Nestled under the watchful eye of its mythical mountain protector Mandango, lies world famous Vilcabamba. Located just 45 minutes outside of Loja, with its idyllic climate, stunning natural beauty and mix of pueblo culture and global influence, Vilcabamba offers one of the most unique experiences in the world.
