

Where can I find information about energy in Guinea?

Find relevant data on energy production, total primary energy supply, electricity consumption and CO2 emissions for Guinea on the IndexMundi homepage. Find relevant information for Guinea on energy access (access to electricity, access to clean cooking, renewable energy and energy efficiency) on the Tracking SDG7 homepage.

What type of energy is used in Guinea?

Renewable energy here is the sum of hydropower, wind, solar, geothermal, modern biomass and wave and tidal energy. Traditional biomass - the burning of charcoal, crop waste, and other organic matter - is not included. This can be an important energy source in lower-income settings. Guinea: How much of the country's energy comes from nuclear power?

Where can I find information about electrification in Guinea?

Find an overview of the electrification investment scenarios (2025 and 2030) for Guinea on the Global Electrification Platform (GEP). Find relevant information on the regulations and Guinea's strategy in the energy sector on the homepage of the African Energy Portal.

What is the potential for hydroelectric power generation in Guinea?

The potential for hydroelectric power generation is high, but largely untapped. Electricity is not available to a high percentage of Guineans, especially in rural areas, and service is intermittent, even in the capital city of Conakry. The estimated 2012 national consumption was 903 million kWh.

Overview Consumption and access Biomass Electricity Oil Renewable energy See also External links Three primary energy sources make up the energy mix in Guinea: fossil biomass, oil and hydropower. Biomass (firewood and charcoal) makes the largest contribution in primary energy consumption. It is locally produced, while Guinea imports all the petroleum products it needs. The potential for hydroelectric power generation is high, but largely untapped. Electricity is not available to a high percentage of Guineans, especially in rural areas, and service is intermittent, even in the capita...
