

Oficiální distributor spole?nosti Risen/SYL ReNew Trade Co. s.r.o. Adresa: Karla Engli?e 3201/6, 150 00 Praha Tel: +420 732 753 222 ... Kompatibilita reziden?ních baterií HV3700 od výrobce ...

Risen SYL has announced that it has received UL 9540A:2019 certification from TÜV Rheinland following thermal runaway fire propagation safety testing on the company's liquid-cooled battery module and cluster in its US laboratory.

The 1500V high-voltage energy storage battery system developed by SYL independently is the first 280Ah battery system that passed the UL 9540A test in China. With its advantages of energy storage battery technology, SYL is capable of offering BESS solutions for Renewable Energy Smoothing, Peak Shaving, Frequency Regulation, Microgrid, Backup ...

Products cover battery cells, modules, as well as large industrial and commercial energy storage systems, with an annual production capacity exceeding 15GWh The independently developed liquid-cooled energy storage battery system is ...

Its products cover battery cells, modules, industry and commerce as well as large energy storage systems. The independently developed liquid-cooled energy storage battery system is the first system in China to pass the UL9540A certification in both China and the United States.

As a third-party certification body specialized in energy storage batteries and systems, TÜV Rheinland has conducted comprehensive safety testing on Risen SYL's liquid ...

Module manufacturer Risen Energy on Monday announced an agreement signed between its subsidiary SYL Battery and Ninghai government. As per the agreement, SYL will set up a 10 GWh energy storage system manufacturing facility with a total investment of around CNY 2 billion in Ninghai, a county in China's Zhejiang province.

As part of this transformation, "SYL BATTERY" has been rebranded to "Risen Storage". ? At the rebranding event, Mr. Wu Xuegang, President and Director of Risen Energy, delivered a ...

SYL Battery, a subsidiary of Chinese solar product provider Risen Energy recently has signed a 1 GW global strategic cooperation agreement with SMA Solar Technology AG. The two sides will conduct extensive cooperation on commercial and ground-based energy storage power station projects around the world.
