APS does not appear to have publicly released full details of how much of that energy storage is so far already contracted and accounted for. However, Energy-Storage.news has reported on three energy storage tolling power purchase agreements (PPAs) the utility has signed with developers since the beginning of November off the back of the 2023 RFP.

The British Indian Ocean Territory prior to the Seychelles's independence in 1976. The land at bottom left is the northern tip of Madagascar. (Desroches is not labelled, but is a part of the Amirante Islands.) Map of the British Indian Ocean Territory since 1976. The territory is an archipelago of 58 islands covering 56 square kilometres (22 sq ...
