Our spine massaging therapy includes twelve automatic modes set for different ailments including diabetic mode by Catch Power (made in South Korea) given at the Catch Demo centers. Our Therapy helps reduce insulin intake from 40 units to 22 units in ...

Here's how Catch Power Africa is making a difference: Natural Healing: Our new health products harness 14 Earth energy functions that promote natural healing processes in the body. Pain Relief: For those suffering from back pains, kidney problems, and other painful conditions, Catch Power Africa's products provide much-needed relief.

Catch Power Africa is built on the belief that true health encompasses both the physical and the mental. Their approach is rooted in alternative methods such as acupuncture, moxibustion, magnetic activities, quantum waves, and high far infrared heat.

Welcome to Catch Power Africa Limited. At Catch Power, we recognize that health is more than a commodity; it's a vital asset. Whether you're dealing with personal health challenges or looking after the well-being of your family and community, we are committed to supporting your journey to wellness.

Quantum wave massager uses force energy to facilitate healing. Using the Quantum-Touch techniques, we can create a high frequency of life-force energy. Apply quantum wave health massager parts around an area of pain; it also relieves stress, inflammation, or disease, the body can entrain to the higher frequency, thus amplifying the body's ability to heal itself.
