PHILIPSBURG--Utilities company NV GEBE has agreed to take along government's plan for St. Maarten's transition to renewable energy in its strategic planning. Caretaker Prime Minister Silveria Jacobs provided the information during the live Council of Ministers press briefing on Wednesday.

This initiative represents NV GEBE's commitment to aligning its operations with modern energy standards, enhancing the quality of service for Sint Maarten's residents and visitors, and contributing to global efforts towards sustainable energy solutions.

This crucial delivery represents a significant step forward in ensuring a stable and reliable energy supply for the residents of our island. Under the presence of NV GEBE's management Troy Washington, SoEnergy International and Harbor personnel, the generators were successfully offloaded without incident last Sunday afternoon.

United People's Party leader and MP Omar EC Ottley has called on the government to stop blaming others and focus on finding solutions to the electricity crisis hitting Sint Maarten . This call for action follows a devastating fire at the NV GEBE power plant in Cay Bay last Sunday, which exacerbated an already dire situation.
