En Simo Energy, ayudamos a las empresas a optimizar su consumo energético, reducir costes y mejorar su eficiencia. Nuestros servicios incluyen auditorías energéticas, estudios de viabilidad y la implementación de estrategias de eficiencia energética adaptadas a cada tipo de negocio

The regulations require investors to enter into a 20-year contract for the purchase of photovoltaic energy with Macao's sole energy service provider, Companhia de Electricidade de Macau (CEM). Essentially CEM will purchase the electricity produced to ensure investors profit within a reasonable period.
