

Sint Maarten everything i need to know about solar panels

Reduce your EDF & GEBE electricity bills, lower your carbon footprint, and gain energy independence with custom solar panel installations, solar battery storage, and EV charging solutions for residential, commercial, and industrial properties.

Welcome to GOSOLARSXM, your trusted partner in solar energy solutions on the Island of Sint Maarten. We specialize in designing, delivering, and installing both grid-tied and non-grid-tied solar panel systems using premium materials known for their reliability and efficiency.

As the world grapples with the challenges of climate change, this tropical paradise is harnessing the power of the sun to transform its energy landscape. In this blog post, we will explore the untapped potential of solar energy on the island and how it is playing a pivotal role in shaping a sustainable future.

With solar panels and solar energy storage systems, you can ensure a constant power supply, even when the grid fails. Our state-of-the-art solar power systems are designed to meet the energy needs of residential and commercial properties, including hotels, resorts, villas, casinos, restaurants, warehouses, and factories.

At Solar Tech Caribbean, we are dedicated to revolutionizing the way you power your life. Our mission is to provide cutting-edge solar solutions, seamless Starlink installations, and convenient EV charging services tailored to meet the unique needs of Sint Maarten/Saint Martin.

Explore sustainable living with our premier solar panel installations and electric vehicles. Discover top-quality solar solutions tailored for homes and businesses, paired with eco-friendly transportation options. Join us in harnessing clean energy and reducing your carbon footprint.

Solar energy: Lorentz solar pool & well pumps; Residential/Commercial solar systems off grid, hybrid or grid tie systems; From our base in Colebay, we have provided solar services in and around St Maarten and St Martin since 1992, whilst supplying solar parts and ...

We are a small solar installation company located on the Island of Sint Maarten, part of the Dutch Caribbean. Our strength lies in our experience in designing, delivering, and installing grid-tied and non-grid-tied solar panel systems using only the very best time-proven materials.

From Grid-tied to Off-Grid systems, we cater to the solar PV panel needs of Residential and Commercial properties, ensuring efficient and reliable energy supply.
