2.7 The works will supply drinking water to the community of West Island, Cocos (Keeling) Islands (CKI). West Island has a population of approximately 140 residents and is located in the Indian Ocean, 2 936 kilometres north-west of Perth. The 1 Department of Infrastructure, Transport, Regional Development, Communications and the Arts (DITRDCA),

All flights to the Cocos Keeling Islands land on West Island. The island exceeds 10 km end-to-end and hiring a car or an e-bike in advance to get around is highly recommended. There are no taxi services or public transport buses available, beyond a local bus to the ferry jetty.

The Cocos (Keeling) Islands consist of two flat, low-lying coral atolls with an area of 14.2 square kilometres (5.5 sq mi), 26 kilometres (16 mi) of coastline, a highest elevation of 5 metres (16 ft) and thickly covered with coconut palms and other vegetation.

Viva Energy is responsible for the delivery of fuel to Cocos Keeling Islands, Australia's most remote community, and an unfortunate series of events late last year has led to a shortage of premium unleaded fuel on the islands. Viva Energy has been actively working on alternative supply solutions.

Scuba diving at Cocos Keeling islands is nothing short of spectacular. Fabulous visibility, pristine coral reefs, abundant marine life and all the trappings of a tropical paradise without the flashy resorts. Yes, it is isolated and it takes some effort to get there, but this is more than offset by the quality of the diving, the friendly locals ...
