We offer a range of affordable solar PV solutions that are easy to install and maintain. Our solar power systems are designed to integrate seamlessly into your home, and we offer a variety of panel options to suit your aesthetic preferences.

In 2023 Guernsey Electricity worked in conjunction with The Little Green Energy Company to install the vast community-scale solar array at Grow Limited's newly redeveloped headquarters. The 310 photovoltaic (PV) panels will produce 129-kilowatt peak power (kWp). That's enough electricity to supply power to approximately 35 homes.

Our supplier manufactures sleek, low-profile roof-integrated solar panels that replace the tiles or slates on a roof to make solar a genuine home improvement. Preserve the kerb appeal of your home while lowering your energy bills now and long into the future.
