Scatec has entered an agreement with the Lesotho Electricity Company and the Government of Lesotho to build the country's first IPP solar project of 20MW. The Power Purchase Agreement, and Connection Agreement and Implementation Agreement were signed at an official ceremony in Lesotho capital Maseru last week.

The Neo1 Solar PV represents the first utility-scale solar farm in Lesotho. OnePower Lesotho (Pty) Ltd., the Independent Power Producer (IPP) sponsoring the Project, was the winner of a 2016 solar tender issued by the Ministry of Energy and Meteorology (MoEM) to implement a 20 MW solar farm at Ramarathole Village in Mafeteng Province.

OnePower's grid-scale project and its minigrids use industry standard, large-format bifacial solar panels, mounted on single axis tracking substructures designed and built in Lesotho by OnePower, but the minigrids ...

renewable energy mini-grids with at least 18 kW of PV at ten pre-identified villages: Ketane (Ha Nohana) and

Solar panels for renewable energy Lesotho

Ribaneng in Mohale's Hoek; Matsoaing and Tlhanyaku in Mokhotlong; Sehlabathebe (Mpharane) and Lebakeng in Qacha's Nek; Tosing
