Welcome to GOSOLARSXM, your trusted partner in solar energy solutions on the Island of Sint Maarten. We specialize in designing, delivering, and installing both grid-tied and non-grid-tied solar panel systems using premium materials known for their reliability and efficiency.

A summary of Sint Maarten's solar markets. In 2014, Sint Maarten's council of ministers sanctioned the National energy policy document. This document was supposed to usher in a new era of renewable energy in the Caribbean Island country. More specifically, the policy document envisioned an 80% renewable energy capacity by 2020.

PHILIPSBURG - On April 24, 2014, the Council of Ministers approved a rather unique document: the National Energy Policy for Country Sint Maarten. The document has an ambitious subtitle: Towards a sustainable development. It looked like the era of renewable energy had finally arrived on the island. But more than five years later nothing much [...]
