

Does Kosovo have solar power?

Kosovo has the potential of capturing solar energy directly and converting it to electricity. The region of highest solar potential based on global horizontal irradiation is the southeastern part of Kosovo, centred around the city of Gjakova. Solar power is already used on the roofs of some buildings.

Will Kosovo use solar energy for district heating?

In late December 2022, Kosovo became the first country in the Western Balkans Economy to use solar energy for district heating. Kosovo's Minister of Finance, Labour and Transfers, Hekuran Murati, said the project would ensure access to the central heating system for about 38,000 citizens.

How Unisolar is developing our country?

Here you can see how we are developing our country, with the tireless work of our team ... Unisolar LLC, was founded in January 2021, by electrical energy engineers and the renewed one: Mr. Bujar Guci in Kosovo. Unisolar LLC was founded seeing the need for a serious company, which would be closer to the customers in the field of renewable energy.

Who is Unisolar LLC?

Unisolar LLC was founded seeing the need for a serious company, which would be closer to the customers in the field of renewable energy. In a short time the company Unisolar L.L.C. became a leader in the field of renewable energy in Kosovo and the region.

Where is JAHA SOLAR located?

Jaha Group has established the unit "JAHA SOLAR" and opened a factory for production of solar panels located in Fushë Kosovë. "JAHA SOLAR" factory was inaugurated on June 2nd, 2016 at an initial capacity of the first production line of 50 MW per year, presenting the latest technology in the production of photovoltaic solar panels.

Jaha Solar manufactures high performance and high quality photovoltaic solar panels according to IEC and ISO production standards. Our quality and certified products have opened the possibility to export photovoltaic panels to countries in the region and beyond.

"I was home with my son, and I said to him that we will be the first ones to open the first solar company," he said. True to his word, in 2015, Hoxha and his business partners drew up a plan, and within 10 days, they had bought a factory and started preparations for Kosovo's first photovoltaic solar panel production company, Jaha Solar.

Unisolar L.L.C. është përfundimisht ekskluziv i kompanisë AE SOLAR GMBH, për panelet fotovoltaike në Republikën e Kosovës dhe tregjet
