

Soleos Energy is partnering with Melci, an electrical engineering company in the Democratic Republic of Congo (DRC), to construct a 200 MW solar PV power project. The project will be executed under a 25-year ...

Last month, the Africa Finance Corporation (AFC), an instrumental infrastructure financier entered into a joint development agreement with UAE-based SkyPower Global for the development of SkyPower's Green Giant solar power station in ...

The two entities will jointly invest and develop the 200-megawatt (MW) first phase of a 1,000MW solar power project in the central African nation, SkyPower said in a press statement, adding that construction of the plant will commence by 2025.

Solar developer SkyPower Global has signed a Joint Development Agreement with Africa Finance Corporation (AFC) that will catalyse the construction of the 200-MW first phase of the Green Giant project in the Democratic Republic of Congo (DRC).

Indian renewables developer and builder Soleos Energy and a partner specialising in electrical engineering, namely Melci Holdings, are getting ready to commence construction of a 200-MW solar photovoltaic (PV) plant in ...

Solar developer SkyPower Global has signed a Joint Development Agreement with Africa Finance Corporation (AFC) that will catalyse the construction of the 200-MW first phase of the Green Giant project in the ...

The solar project, a joint venture between Soleos Energy and Melci, will provide clean, reliable electricity to more than 1 million people. The project is also expected to reduce 300,000 tons of...

Soleos Energy, in collaboration with Melci Holdings, has announced the development of a 200MW solar photovoltaic (PV) project in the Democratic Republic of Congo (DRC). The project, valued at \$200 million, is expected to significantly boost the region's renewable energy capacity, providing clean electricity to over a million people and ...

The partnership between AFC and SkyPower aims to leverage SkyPower's extensive global experience in large-scale solar projects and AFC's proven track record in de-risking and funding well-structured power and infrastructure projects across Africa.

The Africa Finance Corporation (AFC) and SkyPower Global have signed a joint development agreement to implement the first phase of an ultimately 1 000 MW capacity solar power project in the Democratic Republic
