SHG has been made aware that the operation of an additional sea freight service to St Helena is being considered by a private shipping company, under the agency of Meihuizen International. Last year SHG invited tenders from parties interested in providing a longer term sea freight service to the island. Following a procurement process, SHG [...]

Saint Helena has a known history of over 500 years since its recorded discovery by the Portuguese in 1502. Claiming to be Britain's second oldest colony, after Bermuda, this is one of the most remote settlements in the world and was for several centuries of vital strategic importance to ships sailing to Europe from Asia and South Africa. Since the early 19th century, ...
