South Africa regal energy

Nuclear energy remains key to South Africa's low carbon pathway by 2050, Mbambo said, and its role is made "more pertinent" given the planned decommissioning of a significant amount of coal-fired baseload capacity post-2030. "Nuclear power will complement the massive rollout of intermittent renewables to ensure a reliable low carbon ...

Sales Manager - Industrial Powertrain Solutions at Regalrexnord South Africa · Experience: Regal Rexnord Europe · Education: University Of Pretoria · Location: City of Johannesburg · 500+ connections on LinkedIn.
