South Georgia and the South Sandwich Islands (SGSSI) comprise an Overseas Territory of the UK. For over two centuries, the islands and surrounding waters were subject to serial over-exploitation of commercially valuable marine species. First seals, then whales, and later some species of fish were harvested to virtual economic extinction.

The Government of South Georgia & the South Sandwich Islands (GSGSSI) is committed to a system of terrestrial protected areas and has chosen to adopt a phased approach to deliver this. As part of the initial phase of this work, two Specially Protected Areas have been designated; the South Georgia Terrestrial Protected Area (SG TPA) and the
