

Der Siestorage Neo integriert sich beispielsweise bei Fotovoltaik-Anlagen wunderbar: Die XL-Batterie speichert Solarstrom, wenn er erzeugt wird, und spendet ihn, wenn er gebraucht wird. Finanziell attraktiv: Speicher im Niedertarif laden, zu Hochtarif-Zeiten Auto befüllen. Oder Solarstrom ins Netz speisen, wenn die Tarife attraktiv sind.

Post-Independence Struggles. The euphoria of independence soon gave way to the harsh realities of nation-building. South Sudan has been plagued by ethnic violence and a brutal civil war that erupted in December 2013, largely due to power struggles between President Salva Kiir Mayardit and his former deputy Riek Machar, as well as other political and military ...

Officially known as the Republic of South Sudan, this East-Central African country gained independence from Sudan in 2011 after a long struggle, becoming the UN's 193rd member state. With a population of around 11 million, South Sudan is a diverse nation with over 60 indigenous ethnic groups, the largest being the Dinka, Nuer and Azande. ...
