

Steag power gmbh Turkmenistan

The company operates eleven hard coal-fired power plants, of which eight are located in Germany, and one in Turkey, Colombia and Philippines. The plant in Turkey is joint owned with OYAK and is ?sken Sugözü; power station with STEAG holding 51%. ...

In total, we operate hard coal-fired power plants at six locations in Germany. Our share of total electricity generation in Germany is about five percent. In addition, STEAG Power operates large power plants in Turkey and Colombia.

We constantly develop our international wholesale activities. Thus, a particular focus is on Turkey, among others on our wind farm in Sülo?lu. A perspective outlook is the marketing of the 1.320 MW hard coal-fired power plant in the bay of ?skenderun, where STEAG owns 51% of the shares.
