Who is the Lebanon electric utility?

The Lebanon Electric Utility is a member of the Indiana Municipal Power Agency. Through this membership, we are able to purchase the most economic power available at any given time, and deliver it to our customers. Cost savings are passed directly to our customers. We are also members of the American Public Power Association.

Does Lebanon have 24-hour electricity?

Since its civil war from 1975-1990, Lebanon has not had the capacity to supply reliable 24-hour electricity. Many households are left reliant on their own generators or private neighborhood suppliers who charge hefty fees to keep a few lights on or other appliances running during regular daily cuts that can last several hours.
