

# Suriname daystar power solutions

At DayStar Energy Solutions LLC, we are at the forefront of innovation in sustainable energy solutions. Our mission is to revolutionize the way energy is harnessed and utilized through our modular units, designed to fit the dimensions of a standard shipping container.

We provide clients with continuous power through long-term contracts. Clients pay a monthly fee for power consumption with zero upfront costs. We use a combination of technologies, including solar power and battery storage, which can be integrated into a client's existing power setup, such as a diesel/gas generator or grid.
