

Synergy storage Trinidad and Tobago

Synergy will only use your contribution to purchase renewable energy certificates (RECs) from Australia's nationally accredited source Greenpower. Renewable energy purchased by Synergy is fed in to the electricity grid where it mixes with energy produced from non-renewable sources; before being supplied to your home.

Yes. Synergy's Albany wind farm, a Bright Energy Investments joint venture and part of the Albany Grasmere Wind Farm, is an accredited energy supplier for the GreenPower program and is cutting Australia's greenhouse gas emissions by 65,000 tonnes per annum. That's equal to taking nearly 15,000 cars from our roads for one year.

Although the retail gas market is fully deregulated, the Government prevents Synergy from supplying gas to users who consume less than 180 gigajoules per annum. How do I renew my contract? If your contract is up for renewal, contact the business team or your account manager on 1800 730 265 or request a call back and we'll be in touch.

Synergy encourages customers to be vigilant with all online communications and transactions including by: Regularly updating your passwords with "strong" passwords and not re-using passwords. Remain alert to any scam activity, especially through email, text messages or telephone calls where the sender or caller is purporting to be from Synergy.

If you're experiencing payment difficulties and finding it hard to pay your Synergy business bill, we may be able to help you with an interest-free and fee-free instalment plan to help avoid disconnection. We will ensure any plan is fair and reasonable, by taking into account information about your capacity to pay and any debt owed to Synergy.
