Will Syria's fall of Aleppo disrupt Iran's proxies?

In Syria, Israel has consistently targeted Iranian personnel and supply routes used to transfer weapons to its proxies. The fall of Aleppo and potentially other cities bordering Lebanon could further disrupt those routes, placing Iran in a difficult position.

Will Syrian rebels make an advance to Aleppo after Israel weakened Hezbollah?

Hadi al-Bahra, a Syrian opposition leader representing anti-Assad groups, including the Turkey-backed Syrian National Army (SNA), said rebels felt encouraged to make an advance for Aleppo last week after Israel debilitated Hezbollah and weakened Iran's footprint in the region.

Does Ankara support a rapprochement with Syria?

Ankara has also represented the opposition in negotiations with Russia over several years in the past decade, which eventually led to a ceasefire agreement in 2020 between parties in Syria each of them supports. Despite its support for opposition forces, Turkey has not ruled out a rapprochement with Syria.

Up to 75A per contact for high power and up to 45A per contact for low power; Provide excellent power density and multiple power voltage; 9.6mm height; Low profile configuration ideal for 1U power supplies or power distribution system; Highly vented housing design; Maximizes heat dissipation for effective system cooling; Halogen-free housing ...
