

Thai energy storage San Marino

The smart grid will be controlled by an EGAT-designed controls system. The announcement comes just under a year after EGAT announced battery energy storage to be a "new dimension" for the management of electricity. Thailand has around 1,031MW of pumped hydro storage already, and is apparently planning to deploy a further 2,100MW.

Solar PV inverter and battery energy storage system (BESS) manufacturer Sungrow has signed a strategic supply agreement with Gulf Energy Development in Thailand. Sungrow announced the deal yesterday (27 March). It will provide solar inverter and liquid-cooled BESS equipment for 3.5GWp of Gulf Energy Development projects over the next seven years.
