What services does Trinity solar offer?

Services include solar panel system installation, battery backup, storage systems and even roofing installation. The company uses Tier 1 components, all of which feature above-average efficiency levels. Some of Trinity's top brand choices include Qcells panels and Tesla Powerwall battery systems.

How do I pay for a Trinity Solar System?

There are three ways to pay for a Trinity Solar installation system: \$0 Upfront: With this method, the homeowner leases the system from Trinity with zero money due upfront. They'll make monthly payments on the system, but Trinity is responsible for the upkeep.

Who is Trinity solar?

Trinity Solar is a solar and roofing installation company that serves most states on the East Coast. It has been in business since 1994, but was run as an HVAC-focused company until 2004, when solar became its focus. In that time, it has served over 830,000 families across the coast.

What warranties does Trinity solar offer?

Trinity Solar's warranties are relatively basic. The company offers a five-year warranty on workmanship for any solar, roofing or battery backup installations. The company also passes manufacturer warranties onto the customer, which usually covers the products for 25 years, but this depends on the brand and products chosen.
