Türkiye Signs the "Declaration to Triple Nuclear Energy" At the 29th Conference of the Parties (COP29) of the United Nations Framework Convention on Climate Change, held in Baku, Azerbaijan, the significance of nuclear energy in achieving the ...

There is an identified need to set a longer-term energy policy agenda for 2030. Türkiye's reliance on natural gas use has grown along with rising oil and gas imports, leaving the Turkish economy increasingly exposed to the volatility in oil and gas prices. There is an identified need to set a longer-term energy policy agenda for 2030
