What happened to BJ energy solutions?

THE WOODLANDS, Texas, Oct. 28, 2024 /PRNewswire/ -- BJ Energy Solutions, LLC ("BJES" or the "Company") is pleased to announce that in a series of recent transactions two significant corporate modifications have been achieved.

What is BJ energy Titan TM fracturing?

The company has developed and deployed a leading next generation completions solution that is powered by a Vericor gas turbine. BJ Energy's first TITAN (TM) fracturing fleet was deployed in early 2021 and the eight-pump fleet has now accumulated more than 14,000 combined operating hours.

Does BJ energy solutions sponsor Orange remembrance shirts?

BJ Energy Solutions is proud to once again sponsor orange remembrance shirts for community events, reinforcing our partnership with the Alexander First Nation. We stand united with all First Nation groups and Indigenous peoples.

Why should you choose bj oil & natural gas?

With almost 150 years of rich history in serving our clients across North American oil and natural gas basins, BJ is committed to providing innovative technologies to supporting the sustainability and emission reductions.

In September 2020, a group of private investors purchased the BJ brand along with a portion of the fracturing assets to create BJ Energy Solutions, LLC. The company operates in North American basins and utilizes Next-Generation Fracturing technology.
