

Uruguay mate solar co ltd

Mate Solar was founded in 2016 in Hefei, Anhui, China. Mate focuses on R&D, producing and sales of solar panels. Mate always carries out the idea of "Quality is the lifeline of business" and aspires to "Offering professional and comprehensive solar solutions".

The goal of Mate Solar Co., Ltd. (Mate Solar) is to become the most valuable solar photovoltaic company globally. Being at the forefront of PV innovations makes us proud. Mate Solar's innovation-focused development is creating solutions for large-scale power plants, various industries, and households.

MATE has obtained CE certification, and TUV certification. Always provides high-quality products and professional services to global customers. We provide solar system design services and technical consultation upon different requests.
