Coloured and Clear Glass (Färgat Glas, Ofärgat Glas) Sort coloured glass (fargat glas) separately from clear glass (ofargat glas).Place glass materials like empty wine and beer bottles, jars of mayonnaise and jam, etc. here. However, remember to remove corks, metal caps, and jar lids and place them in their respective categories.

Wise About Waste . Responsible waste sorting is the separation of waste into appropriate bins with the goal of diverting as much waste from the landfill as possible, not contaminating the recycling or compost bins, and giving new life to items that can be recycled, composted, or reused. Stanford's waste is sorted into three main waste streams ...
